

The background is a solid blue color. In the four corners, there are decorative white lines that resemble circuit traces or data paths. These lines start from the corners and move towards the center, ending in small circles that represent connection points or nodes. The lines are thin and have a clean, minimalist aesthetic.

AMBER*iT*

A photograph of a server room with blue lighting. The room is filled with rows of server racks. The text "Comprehensive IT service" is centered in the image. There are white circuit-like graphics overlaid on the image, including lines and dots in the corners and along the sides.
